Profile

Al-Amal Company has a long and proud history. We continue diversifying our operations into a vertically integrated agribusiness, backed by a solid history of sustainability and growth.

Since we have our own farms, factories and packing house, we know the value of our products and we ensure the best quality for our clients.

We offer different kinds of Egyptian products starting from seeds, pulses, grains, herbs till beans.

Our Mission

We Grow, We Develop, and We Deliver

We are focusing on the quality of our products, consistently stocked items and regular deliveries to our valued clients.

Top quality produce comes from selecting top quality growers combined with personalized attention. All our produce is hand selected for quality.
